Falls of the Ohio Interpretive Center Opens New Exhibit

“Historic Archaeology of the Falls of the Ohio Region”

The Falls of the Ohio Archaeology Society gathered artifacts and information from excavations in the local area for this very special exhibit. Many of the artifacts have never been shown to the public and it is quite unusual to have so many sites represented in one exhibit. These sites cover the period from the late 1700's to the mid 1900's. Artifacts include pottery, bricks, coins, beads, buckles and an amazing variety of glass bottles. The exhibit will be on display in the Interpretive Center at the Falls of the Ohio State Park through March.

All programs and exhibits at the Interpretive Center are free with building admission.

For more information call (812) 280-9970. The Center is open 9 a.m. to 5 p.m. Monday through Saturday and Sundays from 1 p.m. to 5 p.m. Admission to the Interpretive Center is \$4 for adults and \$1 for children age 2 to 18 on Monday through Thursday. On Friday, Saturday, Sunday and holidays admission is \$5 for adults and \$2 for children.
